

Health Care REVIEW

Earl Ray Tomblin
Governor

James L. Pitrolo, Jr., Chairman
Sonia D. Chambers, Board Member
Marilyn G. White, Board Member

Jim Pitrolo, Chairman of the West Virginia Health Care Authority ("Authority"), announces the following Certificate of Need and Rate Review activities for the week ending April 19, 2013.

HCA Announces Another Grant Recipient under the Early Adopter Grant Program for Health Information Exchange

The WV Health Care Authority (HCA) in collaboration with the WV Health Information Network (WVHIN) is pleased to announce Stonewall Jackson Memorial Hospital has been awarded a grant under the Early Adopter Grant Program for Health Information Exchange. A total of six (6) hospitals have accepted grant awards under this program, along with Stonewall Jackson Memorial Hospital they include Herbert J Thomas Memorial Hospital Association, Monongalia General Hospital, Preston Memorial Hospital, St. Mary's Medical Center and Grafton City Hospital. The grants will assist hospitals in achieving full connectivity with the WVHIN's Health Information Exchange by the end of June this year.

The WV Health Care Authority (HCA) in collaboration with the WV Health Information Network (WVHIN) is pleased to announce a grant program for early adopters of the WV Health Information Exchange (HIE). Financial assistance is available to hospitals located in WV to achieve connectivity with the WVHIN's full service HIE. The HIE enables providers to

electronically share and query available patient health information within the network.

For additional information and application, please visit the HCA website at www.HCA.wv.gov under *Grant Program for HIE*.

CERTIFICATE OF NEED

The Certificate of Need process is a regulatory mechanism aimed at controlling the purchase of high cost medical equipment and the development of new health care facilities and services. The purpose of the law is to see that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.
